

Custom Damper Drives

Manufactured by

SKID-TECH

Division of

ICE

CUSTOM DAMPER DRIVES are designed and manufactured to provide our customers with an accurate drive that is engineered for an extended service life at a very competitive price. **Skid-Tech, a Division of ICE**, stocks several manufacturers of quality actuators, positioners, limit switch packages & accessories. You have the option of either specifying our equipment or your own brand of products.

Either way, you will be **100% satisfied with our CUSTOM DAMPER DRIVES.**

CUSTOM DAMPER DRIVE SOLUTIONS

- Custom Damper Drives offer
 - 5 to 4500 ft-lb torque pneumatically
- Electric & Electro-Hydraulic units are also available
- Manufactured, calibrated & tested in Monessen, PA at our 60,000 ft² facility
- Standard Features
 - Welded cross beam construction
 - Sealed triple bearing design
 - 4140 cold rolled & polished shaft and lever arm
 - Inside and outside spline connection
 - Actuator
 - Positioner
 - Accessories
 - Limit switches
 - Position feedback
 - Manual handwheel override
 - Fail-in-place operator with lockup service
 - Coalescing filter for condensation removal
 - Anti-corrosion paint
- Benefits
 - Ease of maintenance
 - Custom design
 - Direct replacement for existing drives
- Recent Customers
 - Allegheny Energy
 - US Steel
 - Reliant Energy
 - Edison Mission Energy
 - Babcock & Wilcox
 - Various engineering contractors

Custom Damper Drives

Telephone: (724) 684-5117 Fax: (724) 684-4490

APPLICATIONS

- Combustion Air Distribution & Control
- Primary Air & Secondary Air
- Boiler Draft Control
- Nitrous Oxide Reduction/Gas Proportioning
- Flue Gas Bypass/Recirculation
- Air Heater Gas Inlet
- Boiler Feed Pump Speed Control
- Windbox Fuel Air & Auxiliary Air Drives
- FD Fans
- ID Fans
- Mill/Pulverizer Drives
- Primary Air Fans
- Combustion Turbine Air Inlet Guide Vane/Exhaust Gas Dampers
- Scrubber Flue Gas Bypass/Recirculation

DESIGNED TO REPLACE

- Bailey Pneumatic & Electric
- Hagan Pneumatic & Electric
- Hayes Republic Meter Pneumatic
- Rockwell Pneumatic
- L&N Electric
- Beck Electric
- Jordan Electric
- KyTronics
- Limitorque
- Rotork

PRODUCT SELECTIONS

Actuators – El-O-Matic, Rack & Pinion, Double Acting (Standard)

- Bettis
- Fisher
- Worcester
- Xomox – Matryx
- Auma (Electric)
- Rexa (Electro-Hydraulic)
- Field-Q
- Automax
- QTRCO

Declutchable Override (Optional)

- Declutchable Manual Gear Driven Handwheel
- Top Mounted Handwheel

Floor Stand (or Direct Mount) (Carbon Steel, Painted Standard)

- Stainless Steel
- Powder Coating

Positioners

- PMV
- Fisher Fieldvue

Tubing & Fittings (Stainless Steel Tubing Standard)

- Stainless Steel Braided Teflon with SST Fittings

4-20mA Position Feedback Transmitter

- PMV
- Fisher

Limit Switches

- Topworx Limit Switch & Valve Top
- ASCO Valve Monitoring Systems
- Fisher
- PMV
- ACME
- Namco

Filter Regulators

- Fisher
- ASCO
- Headline

Other

- Fisher Trip Valves
- ASCO Solenoids
- Rexroth Quick Release
- Fisher Volume Boosters
